

SCHOOL CURRICULUM

NCS offers a broad and challenging curriculum

YEARS 7, 8 & 9

Our curriculum for Years 7, 8 and 9 is broad and balanced during which students develop their learning skills across all subjects. The aim is to ensure that students of all abilities and skills are provided with challenging opportunities to maximise their potential.

At North Cestrian we offer the following subjects:

- Art
- Computing
- Design and Technology
- English
- Food Technology
- French
- Geography
- History
- Mathematics
- Music
- Performing Arts (Drama & Music)
- Physical Educational
- Citizenship
- Religious Education
- Science (covering Biology, Chemistry & Physics)
- Spanish

Pastoral:- SMSC/PHSE
