

## A Parents' Guide to North Cestrian Reports

Reports follow the data captures from the assessments in October, December, March and June. These assessments are synoptic, follow the GCSE style (in terms of proportion, mark weighting and command words) and predict what the likely outcome is therefore going to be at the end of the GCSE.

The pupil's attendance percentage. The national average attendance is 95%. That is North Cestrian's minimum standard for pupils. Below that means progress is being hampered.

Achievement Points are attributed to reward good behaviour for learning and Behaviour Points to sanction poor choices.

The Cestrian Way Learning details the 12 CWL standards of excellent behaviour for learning that are necessary at North Cestrian. If the teacher has deemed it necessary, there will also be a Cestrian Way Behaviour Focus from the 8 CWB standards. You will find these on the inside cover of your child's planner and on <http://www.northcestrian.co.uk/media/2180/cestrian-way-standards-for-website.pdf> (this is a link to the front page of the school web site called 'Cestrian Way Standards'). 'A' = Consistent. 'B' = regular but coasting. 'C' (sometimes) and 'D' (rarely) are hampering and severely hampering progress. In this way the teacher has indicated which standards which it is most necessary for the pupil to master and deliver consistently.

NAME / FORM

Attendance Percentage %			Achievement Points		Behaviour Points	
99.3% National Leader			26		1	
Subject	Current GCSE Prediction	Progress	Subject Comment	Cestrian Way Behaviour	Cestrian Way Learning Focus	Cestrian Way Behaviour Focus
Subject Teacher Name	5	On		B	16	

The teacher writing this report. The main class teacher (sometimes a class will have more than teacher for a subject – when this occurs staff liaise to agree the report)

The evidence seen in the pupil's performance in assessments to date point to achieving this grade in the actual qualification. The 'progress' is an indication of the current prediction against their target. The targets are based on the required levels set by the government for children completing primary school with certain standards and abilities.

For pupils with an EHCP or are in receipt of Pupil Premium: the teacher will write a comment here. Otherwise, teacher feedback and purple pen work will be the next steps to improve. Further assistance for all can be found by looking at the higher grade requirements on <http://www.northcestrian.co.uk/media/2073/all-subject-grade-descriptors.pdf> (this is a link of the front page of the school web site called 'Assessment Grade Descriptors') or by emailing the subject teacher.
