February 2019

Dear Parent/Guardian

Year 10 Work Experience. 15th- 19th July 2019

As part of their Careers Education and Guidance Programme, our pupils have guest speakers, interviews, assemblies and on-line support (Unifrog). For Year 10s there is also an opportunity for your son/daughter to complete one week of self-placement work experience in the Summer Term. **This year the chosen week will be 15th – 19th July 2019.**

Those pupils that are unable to arrange a self-placement will be expected to attend school as usual.

The work experience programme provides an opportunity for your child to gain an insight into the world of work and helps prepare for the responsibilities of adult life. Pupils will carry out a range of tasks and duties, more or less as would regular employees, but with added emphasis on the educational aspects of the experience.

All forms are due back to the Mrs Stevenson or via your child's form tutor by **Monday, 29th April 2019.** If self-placement forms are late then it is unlikely that we will be able to support the placement.

Yours sincerely

Y.S Stevenson
