

Pi Day 14th March 2021

Student Challenge

Numerically, pi is 3.14159265358979323846 and on to an infinite number of places. This represents the ratio of a circle's circumference to its diameter.

We are adapting our Pi Day Celebrations this year so we would like you to

Design a Poster

Here are a few ideas to help you get started

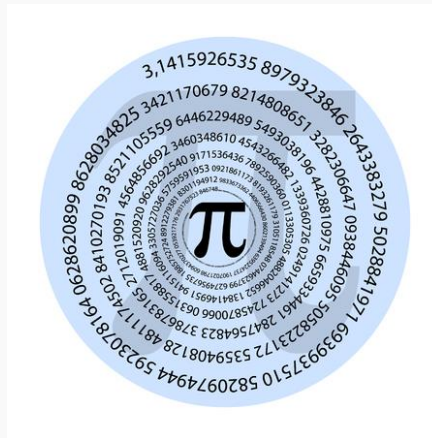

Historians – How and when was Pi discovered?

Mathematicians – How do we use it?

Artists – Make it look amazing

Writers – Make a story of it

Be Creative

Closing date Friday 12th March

Email entries to a.james@northcestrian.co.uk, post entries to school or use this email to make arrangements for entries to be delivered safely.
