

HELLO FELLOW NORTH
CESTRIANS! PARENTS! TEACHERS!
FRIENDS!

BUDDING CHEFS!

***** WE NEED YOUR HELP! *****

In an attempt to make something amazing out of a year of not so amazing..... we would like to produce a special cookery book based on your favourite, go to or recently discovered recipes. Lots of you have been improving your cookery skills over the lockdown period – now is your chance to share your favourite family recipes or quick food “hacks” with others! We are looking for a wide variety of worldwide recipes – savoury or sweet – cakes, tray-bakes, biscuits, bread, meat dishes, vegetarian, vegan – anything!

It would be extremely helpful if you could email you recipes on a Word document in the following format to the following email address: ncsptfa@gmail.com

EXAMPLE:

TITLE OF RECIPE: e.g. **Grandma’s favourite curry**

AUTHOR: A little bit about yourself – you and your child’s name(s), class year and a short anecdote about your recipe, occasion recommendation or any other tips eg even better served the next day cold with salad !!!

PHOTO: if possible

SERVES: how many portions

INGREDIENTS: a new line for each ingredient

METHOD: Clearly set out

If you are really struggling for time but still want to contribute, then please send in a photo of the recipe and method to the PTFA email: ncsptfa@gmail.com

Please note that if we get a few duplicate recipes, we will only be able to include one version but appreciate your contribution anyway. **THANK YOU!**

We will advise everyone when the recipe books are available to purchase at a later stage. Any questions? Please e-mail the ncsptfa@gmail.com address.

We are also looking to include local advertising, details to follow.
