Dear New Parents/Carers,

Trafford Transition Day is Thursday, 6th July. This is the day when Year 6 primary school pupils are invited to attend their nominated secondary school for familiarisation. We will send more information about induction day closer to the time. However, for now, I want to inform you of a further opportunity to ease your child's move into 'big school'.

Summer School

To support your child's transition to North Cestrian School, we are running a two-day summer school event. Previous incoming students have found this enormously helpful in building familiarity with the school building, staff and classmates. The summer school programme provides enriching activities to support academic progress (including reading, literacy and numeracy), self-esteem and resilience. Lunch is included. There is a nominal cost of £10 whether you choose one day or both days.

Summer school will take place Tuesday, 29th August - Wednesday, 30th August; 10:00-2:40 both days. It is open to all incoming Y7 students, but it is essential that we know numbers in advance for planning purposes.

Please reply, whether or not your child can attend, using the following Forms link by Wednesday, 14th June. In addition to completing the link, please make the payment of £10 to confirm your child's place during the following week. As ParentMail cannot be used until September, please make payment electronically using BACS information below. It is also possible to make cash or card payments by coming to reception and asking for Mrs Stevenson, 19th-23rd June, between 8:30 and 10:30. (In case of payment queries only, please email y.stevenson@northcestrian.co.uk)
