A photograph of a garden scene. In the foreground, a wooden plank path leads from the bottom left towards the right. To the right of the path, a row of potted flowers in various colors (yellow, pink, purple) is visible. Further right, a pair of bright yellow rubber boots and a silver garden tool (a rake or trowel) are placed on the path. The background is a soft-focus garden with green foliage and a light-colored wall or fence. The text is overlaid on the left side of the image.
